

## Racing NEWS #3

### SEASON PASSES

With the season very close to starting, have you considered purchasing a season pass. A season pass offers around a 20% discount if you attend all race meetings. Send us an email or message on Facebook if you are interested.

Scheduled Meetings	9	Discount Price
Adult @ \$25	\$ 225.00	\$ 180.00
Concession @ \$20	\$ 180.00	\$ 145.00
Family @ \$60	\$ 540.00	\$ 435.00

Our next Clean Up Day is on September 1st from 1p.m. Keep up to date with details on Facebook. Drinks and a BBQ will follow around the fire pots.

We would also like to see all those people who expressed interest in helping at race meetings come along and have a chat to see where they can assist.

## Congratulations

**Helene Betts**  
**Family Season Pass**  
&  
**Dylan Szczypka – Adult**  
**Season Pass**

Both Helene and Dylan have won season passes for taking the time to respond to our survey. We plan to run the same survey at the end of the season to see where we have improved and where we can continue to improve. Thanks to everyone that responded.

### Mowing Carparks

1. Do you have 3 to 4 hours spare prior to each race meeting? ☒
2. Can you drive a tractor with an attached slasher – (no power steering, big and heavy)? ☒
3. **Are you reliable and will turn up prior to EVERY race meeting?** ☒

If you say YES to all of the above we would love to hear from you. We can discuss free entry to each race meeting in numeration of your assistance.

## 25th November, 2006

A new division to speedway racing saw the Junior Sedans up and running.

Sam Gunn flipped his Datsun 1200 in the first heat becoming the first Junior Sedan driver in Tasmania to roll in the division.

## Survey Concerns Discussed

### Leaving the track

There were numerous comments received from the survey how many years ago, when leaving the facility after a race meeting, traffic was split into two lanes – one for those heading Launceston way and the other for those heading towards Devonport. This season, we would like to implement the same policy as per the attached photo. We will add it to the program on race nights and the commentators will also remind people on the night.

### Garbage

A common comment from respondents in the survey, was the amount of garbage that people leave on the ground and do not bother to walk to the bin. As a track, there is no way we can make people put rubbish in a bin. Garbage is a huge cost to the track – someone to put bags into bins prior to the race meeting, the cost of the bags, collection of rubbish off the ground and move it to the skip bins and then the cost of the collection of the garbage to the refuse tip. All these steps cost money and ultimately is paid for by those who attend the speedway. We have purchased wheelie bins for the coming season which are much lighter to move around and let's hope that people see an actual garbage bin and make a little bit of an effort to place their rubbish in the appropriate place.

### Infield and Pit Commentary

We are in the process of working with a potential trainee commentator. Stay tuned.

### Race Meeting Start Time

There were a few comments regarding the time that we start our race meeting. Carrick start at 5pm as we have an extremely strict time limit of 11pm. Under no circumstances are we allowed to have cars on the track after 11pm. This is council regulation that up until only recently has not been enforced. But, it is a regulation and we must therefore abide by it. Starting at 5pm allows some leeway during the night if there are accidents which can take up considerable time or also allows for track preparation if required.
